## 9V battery powered led strip light

Battery drive can be customized for various sizes 2835 led strip light bar.

### Details

Rigid led strip									
Strip Width	4mm		5mm			8mm	10mm		
LED Quantity	72led/m	90led/m	60led/m	72led/m	90led/m	120led/m	72led/m	60led/m	72led/m
Rated Power	7W/m	8W/m	7W/m	7W/m	8W/m	10W/m	10W/m	11W/m	12W/m

LED Chip	SMD 2835	SMD 5050
Chip Position	Central / Side	
Circuit Material	Glass fiber board / Aluminum PCB	
Color	Red, Green, Blue, White, Yellow, Pink, etc. (Customization) / RGB	
Voltage	12/24V	

## Lamp beads

2835 chip, Gold wire bracket lamp beads, Have high brightness, low light decay, long life, Stable performance Features

## resistance

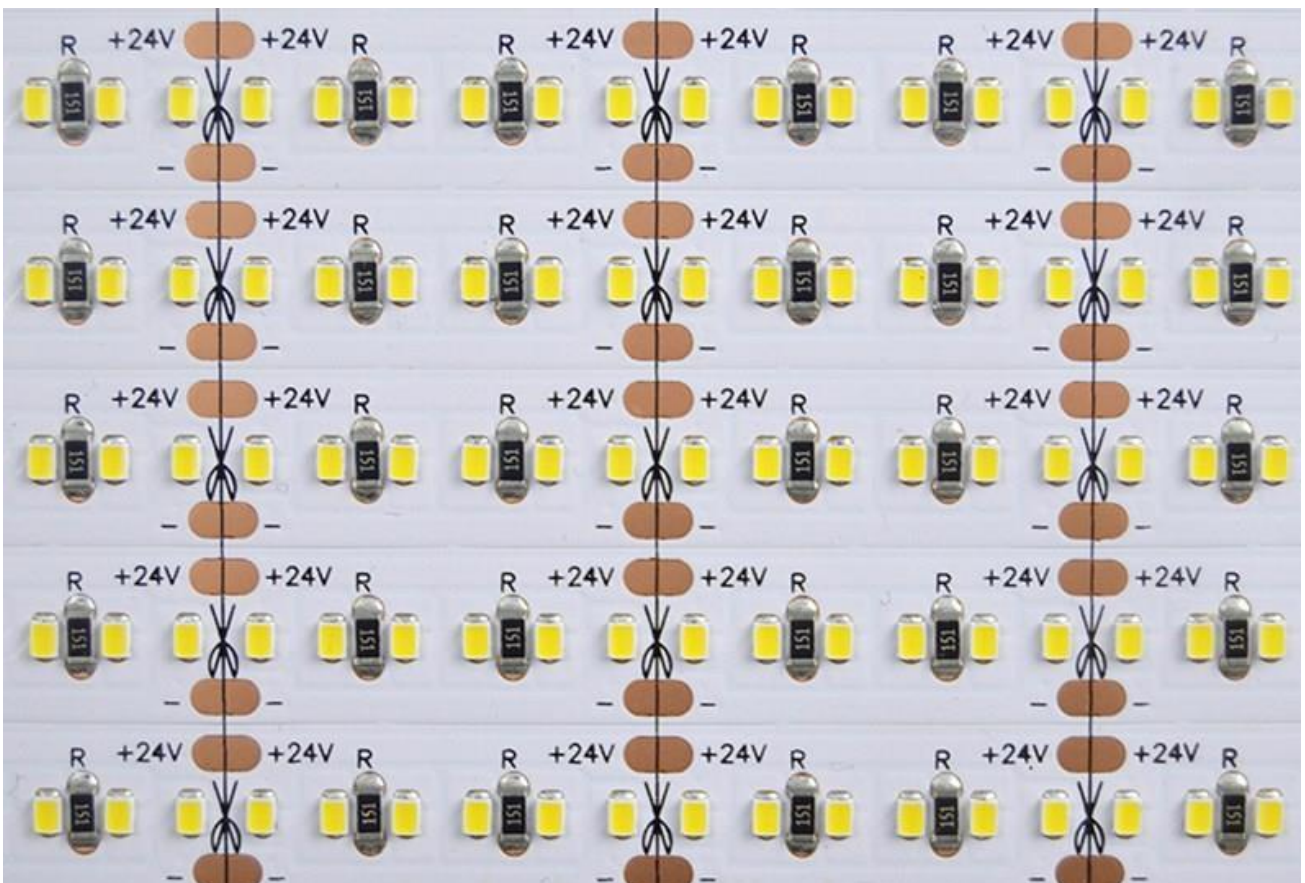

Through the composite resistor, Stable current output, Avoid excessive heat due to excessive current, Reduce the light decay rate of the lamp beads

### Basic Features

- 1) High quality Aluminum profile led rigid strip, thickness 1.0mm, 1.1mm for aluminum hard led strip
- 2) Every 3-LEDs cuttable without damaging the rest strips, DC12V 24V led bar with 5050 5630 2835 3528 SMD
- 3) Self-adhesive back with Adhesive 3M tape for secure and easy application
- 4) Warranty: 2 years, 3 years and 5 years. Long lifespan > 50,000 Hours
- 5) Good heat dissipation techniques
- 6) The colors of light resources can be green/red/blue/yellow/RGB/white/warm white; the aluminum body can be black and silver
- 7) 2835 led strip the minimum width is 4mm

## Application

Widely used for home decoration use, hotels, clubs, shopping malls

Architectural decorative lighting, boutique atmosphere lighting

Extensively applied in Backlighting, concealed lighting, channel letter lighting

Emergency & security lighting, advertisement sign lighting

Decorative lights for holiday, event, show exhibition

Applicable for automobile and bicycle decoration, border or contour lighting

## Install

Step 1: Please prepare all the required accessories before connecting and wiring.

Step 2: If you want to cut the strip light, please contact with us for getting details instructions of LED Strip DIY.

Step 3: Tear off the covering of LED strip light.

Step 4: Stick up the adhesive onto where you want to use it.

Step 5: Connect the DC plug of adapter into the DC port of LED strip, and connect another plug of adapter into the mains socket.

## How to install the LED strip light

### How to INSTALL

#### STEP1

Please prepare all the required accessories before connecting and wiring (see the Parameter and Accessories Details table). If lack something, Please make another order of accessories.

#### STEP3

Tear off the covering of LED strip light.

#### STEP2

If you want to cut this strip light, please refer to the detail instructions of LED Strip DIY.

#### STEP4

Stick up the adhesive strip onto where you want to use it.

#### STEP5

Connect the DC plug of adapter into the DC port of LED strip, and connect another plug of adapter into the mains socket.

If you are looking for a replacement for a brand model, please send us the specifications. In most cases, we are able to offer alternatives at a better price for the same quality.

## WHY CHOOSE US

Customized design is available, OEM and ODM are welcomed.

We have best production capability, best quality control, best service.

Reply your inquiry in 24 working hours.

Customized design is available, OEM and ODM are welcomed

## CERTIFICATION

## ABOUT US

Dongguan Zhiding Electronics Technology Co., LTD is a high-tech enterprise specialized in manufacturing, designing and selling high quality LED lighting and LED related products. Zhaoqing Factory has more than 1000 employees, including more than 80 technicians focused on research and development.

We have advanced testing equipment, can be "normal temperature continuous light life test", "high temperature and high humidity cycle test", "cold and hot shock cycle test" and "high and low temperature storage test", "high and low temperature continuous light test", "salt spray test" and reliability test, for all kinds of product reliability test of periodic on a regular basis, provides the high quality for our product quality assurance.
